**I HEREBY STATE:**

1) That in my capacity as the author of the thesis entitled  
“Energy Optimising Methodologies On Heterogeneous Data Centres

”  
(hereinafter “the thesis”), which was approved by the panel of examiners that met to assess it at this university on 3th April, 2017, I am the exclusive owner of the intellectual property rights relating to its content.

2) That this work is original, that its content is lawful and does not violate the interests and rights of third parties as regards industrial property, intellectual property, trade secrets or any other interests and rights that are protected by legal regulations, and that the texts, pictures, images, graphs and other material by third parties contained therein have been duly cited without violating the rights of these third parties.

3) That I am aware that article 14 of Royal Decree 99/2011 of 28 January, which regulates official doctoral studies, states that, once approved, the thesis must be incorporated into an institutional repository that is freely available for consultation.

4) That I have been informed that, in accordance with an agreement by the Interuniversity Council of Catalonia, to meet this legal obligation the thesis will be included in the Theses and Dissertations Online repository (TDX, [www.tdx.cat](http://www.tdx.cat)).

5) That I am aware that in exceptional circumstances determined by the programme's academic committee, such as the participation of companies in the programme or school, the existence of confidentiality agreements with companies or the possibility of patents being generated from the content of the thesis, the University guarantees that no publicity relating to these issues will be given during the time required in each case.

6) That as the holder of the rights, I would like the thesis to be disseminated with: **[select an option]**
